Region VII Chair - Ashley Stahle | ashley.stahle@colostate.edu

"What's the purpose of the regions?" was a question asked during the R7 strategy meeting in Seattle.

“ ”

The question was shared with NCURA's Executive Director Kathleen Larmett during the subsequent BOD meeting. Kathleen quickly and elegantly answered the question referring back to the regional beginnings, an effort to connect members close in proximity who face similar challenges in order to develop grass root efforts... "...providing an opportunity, somewhat close to home for most members, to discuss mutual topics of interest with colleagues most likely to face similar problems."
