

The Regional Meeting Program and all event information is digital and will be available in the **NCURA app**. The app is available to download now:

- Search "NCURA" in your phone's app store
- Download the NCURA App
- You will be prompted to "Login." Enter the email address that you used when registering for the conference. Only registered users are able to access the event.
- Once access has been granted to the registrants, from the menu click on Events and you will see the "2024 NCURA Region VI & VII Fall Meeting"
- NOTE: Check that you have the most current version of the App, released in 2022 and powered by Clowder.
