

Kathryn O'Hayre Personal Statement  
Candidate for Region VII Member-at-Large

Dear Region VII Elections Committee and Region VII voters,

I ask for your consideration of my application for the Member-At-Large position for the 2025-2026 term.

As a dedicated volunteer with experience at both regional and national levels, I am excited to extend my impact by serving as a Member-At-Large for Region VII. My favorite experience as a volunteer is serving as Chair of our Region VII Professional Education and Development Committee (PEDC) where we generate a variety of experiences for our regional members such as webinars, collaborative discussions, and networking Roundups! I've also been a part of our LeadMe partnership with Region VI from 2023-2024. On a national level, in 2023, I was accepted to the NCURA Professional Development Committee (PDC) and am a member of the Online Programming Subcommittee. In each experience, my goal is to support and reach our broader RA community. In my role as a Training and Information Coordinator at Colorado State University, I also strive to understand the needs of the community and provide a variety of resources.

I am eager to bring my passion, skills, and dedication to the Region VII Member-At-Large role, and I appreciate your consideration.

Thank you,

Kathryn O'Hayre, CRA
